

Century Hardware's latest collections are designed to celebrate your individuality. Whether your inspiration comes from Old World Italian decor or an upscale metropolis, you're sure to find the perfect accent among Century's newest assortment of hardware for your kitchen and bathroom. Highlight warm wood finishes with oil rubbed bronze or accent a modern motif with stainless steel or satin nickel. Feeling inspired by nature? Bring a touch of the Rocky Mountains with the Aspen collection. When you do what feels right to you, design comes naturally, and you'll be inspired to create a home you and your family will love. We're here just to help you enhance it.

# contents

Century Hardware provides two groups of cabinet hardware styles, the Century Select line, and the Century Hardware line. The Century Select line consists of unique and distinctive designs and finishes, and the Century Hardware line is comprised of successful classic pieces.

# EXCLUSIVE DISPLAY OPTIONS

## OPTION 1: ROTATING 4-TIER DISPLAY TOWER

Century 4-Tier Display Tower measures 41 x 41 x 178 cm (16" x 16" x 70") for 16 display boards each showing 1 collection. Both Century Select and Century Hardware headers are available for your option. The tower is supplied with a swivel base.

## OPTION 2: ROTATING 2-TIER DISPLAY TOWER

Century 2-Tier Display Tower measures 41 x 41 x 86 cm (16" x 16" x 34") for 16 display boards each showing 1 collection. This unit will hold 8 Century display boards and is ideal for countertop display. Both Century Select and Century Hardware headers are also available with this unit.

## OPTION 3: DESIGNER TOTE

The Century Designer Tote is the perfect supplement to the Century Display Tower. The tote holds up to 8 full Century display boards so a showroom sales person can easily carry the tote along with them on house calls and presentations.
